

V International Conference BIFI 2012

Protein Targets: Discovery of Bioactive Compounds

Zaragoza, February 1-4, 2012

Speakers

Mariano Barbacid (CNIO Spanish National Cancer Research Center, Madrid)

Manel Esteller (IDIBELL Bellvitge Biomedical Research Institute, Barcelona)

Juan Fernandez-Recio (BSC Barcelona Supercomputing Center, Barcelona)

Ernesto Freire (Johns Hopkins University, Baltimore)

Harren Jhoti (Astex Pharmaceuticals, Cambridge)

Jesus Martinez de la Fuente (INA Institute of Nanoscience of Aragon, Zaragoza)

Yamir Moreno (BIFI, Zaragoza)

Maria Cristina Nonato (Universidade de Sao Paulo, Sao Paulo)

Soledad Penadés (CIC biomaGUNE and CIBER-BBN, San Sebastian)

Gregory Petsko (Brandeis University, Waltham)

Javier Sancho (BIFI, Zaragoza)

Important Dates

Discount rate for registration & abstract **15/12/2011**

Final deadline for abstract **31/12/2011**

Final deadline for registration **15/01/2012**

Main topics

- ▶ Protein Targets: Structural and Functional Insights
- ▶ Novel Protein Targets
- ▶ Computational Design and Screening
- ▶ Experimental High-throughput Screening & Laboratory Automation
- ▶ Preclinical Research
- ▶ Biodiagnostics
